

The logo features the word "Alberta." in white on a blue background, with "Tell it like it is." in yellow below it. The background is a green banner with a white speech bubble shape on the left.

Alberta.  
Tell it  
like it is.

The logo features the word "Alberta" in a white script font, with the tagline "Freedom To Create. Spirit To Achieve." in a smaller white font below it.

Alberta  
Freedom To Create. Spirit To Achieve.

## **Tell It Like It Is daily facts – Week of September 7, 2010**

- All tailings ponds have groundwater monitoring and seepage recapture systems.
- The Alberta government is working with researchers to eliminate tailings ponds as we know them today.
- Bitumen in the river banks seeps naturally into the Athabasca River as it cuts through the landscape.
- Oil sands mines are required to report all wildlife mortalities to Alberta Sustainable Resource Development.
- Oil sands mines are required to develop Waterfowl Protection Plans that must be approved by Alberta Environment.
